C-SERIES EXPANDED PRODUCT LINE

Burnham Commercial, America's Boiler Company is pleased to announce that the popular C-Series product line has been expanded to include four new, larger sizes. The new sizes 125, 150, 175 and 200 horsepower models are available for immediate order.

To request a copy of the C-Series brochure, go to the Burnham Commercial website: <http://www.burnhamcommercial.com/contact> or contact your local Burnham Commercial sales representative. Electronic copies are also available by request or online at www.burnhamcommercial.com.
